

IGI Quality Mark Certificate

This is to certify that **SIRPI** – Via Grandi 8 – It – 20068 – Peschiera Borromeo – Italy.

Has by virtue of tests approved by IGI and carried out by Centexbel, Belgium, become qualified and entitled to use the IGI Quality Logo:

On Wallcovering products of that company in the following qualifications:

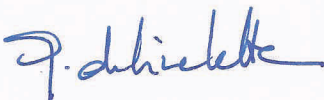

- Solid Vinyl paper backed
- Wallpaper (including whites) simplex
- Non-Woven direct printed or coated & printed
- Non-Woven backed solid vinyl

This certificate also records the existence of the company's own statement to IGI that its products are manufactured according to EN standards: EN 233:1999, EN 234:1996 and EN 259-1:2001.

This certificate confirms that products (listed above) have been tested and comply with French regulation (19th April 2011) on their emissions of volatile pollutants. Class A+.

The said company therefore has become a full member of the IGI Quality Scheme, having also covenanted to keep its records up to date, and to inform IGI of any relevant changes to its production standards and product ranges.
